### Walk Grades

There are five different grades of walk on the Friends of the Heysen Trail walk programme. Four of these operate during the walk season, generally from April to November when it is not Fire Ban Season:

- Trail Starter
- Trail Walker
- Trail Rambler
- End-to-End

When it is not walk season, generally during the summer Fire Ban Season, a fifth walk grade, Summer Twilight Walks, operate.

Details of each walk grade are provided on the website: heysentrail.asn.au/walks

### Walk Registration

Register for a walk either online or over the phone.

Register online at heysentrail.asn.au, or by phoning the office on 8212 6299.

Walks close between Tuesday and Friday prior to the walk, closing dates and times are listed on each walk event page on the website.

### Walk Cancellations

End-to-End walks are not subject to a weather forecast temperature limit, however the walk leader may decide to cancel or amend the event if weather is deemed to present a high risk.

If unforseen circumstances arise and you are no longer able to participate in the walk, please notify the office as soon as possible, or leave a message on the answering machine after this time.

### Further Information

Details about each walk, the hot weather policy, what to wear and what to bring, walk grades or to print off a colour copy of the programme, visit heysentrail.asn.au
