## Re-Route of Heysen Trail near Jupiter Creek

Mapsheets 2A, Kuitpo Office to Bridgewater Oval

The Heysen Trail in Jupiter Creek is temporarily closed due to storm damage.

Site inspections at the Jupiter Creek Gold Diggings site - where the Heysen Trail travels through - have identified areas as unsafe due to heavy rain over the 2016 Spring and 2016/17 Summer.

The Heysen Trail is closed between Kuitpo Forest and Rowe Road in Jupiter Creek until further notice to carry out safety works. Signage and fencing has been installed.
