Walking with the Friends

Check the online walk calendar for the latest updates to the program. For details about each walk, the hot weather policy, what to wear and what to bring, and details of walk grades, visit heysentrail.asn.au/walks

Walks Registration

Register for a walk either online at heysentrail.asn.au/walks or by phoning the office on 8212 6299. Walk registration closing dates and times are listed on each walk event page, accessed via the website walk calendar.

Walk Cancellations

If you need to withdraw from a booked walk, please notify the leader or the office as soon as possible. The easiest way is to login to your account and withdraw from the walk.

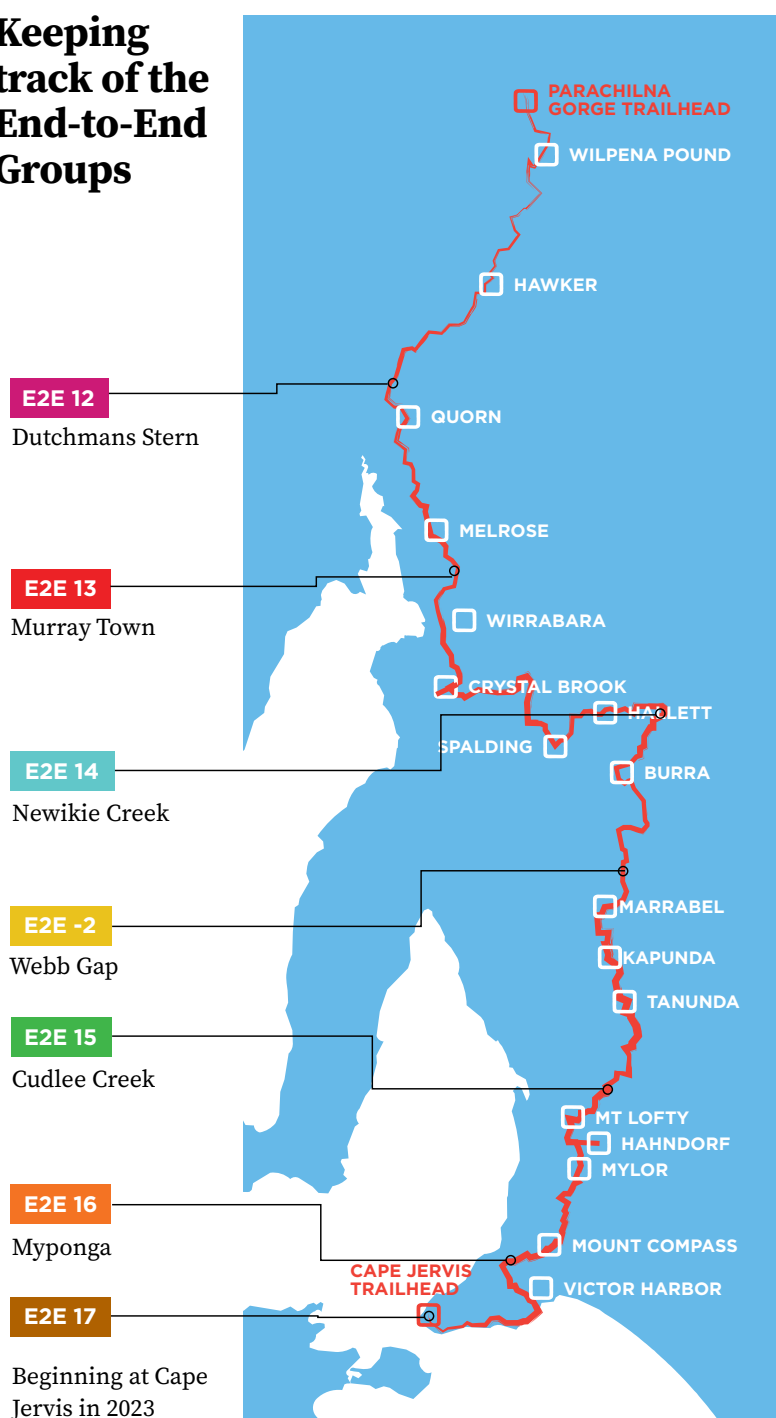

End-to-End walks are not subject to a weather forecast temperature limit, however the walk leader may decide to cancel or amend the event if a weather event is deemed to present a high risk.

Trail Starter, Trail Walker and Trail Rambler walks will be cancelled if the forecast temperature for Adelaide is equal or higher than 32°C. Be aware that walks are automatically cancelled when the forecast weather on the day of the walk is for severe storms with damaging winds as per the 7pm ABC News on the day prior to the walk. Refer to abc.net.au/news/weather or bom.gov.au/sa. Your Walk Leader will send an email to all walkers to advise of the cancellation. We suggest you check your emails before leaving to join the walk.

Bushfire policy

If a Total Fire Ban is declared by the CFS in the Fire Ban District where the walk event is being held, the walk event will be cancelled. In such a case walk fees will be refunded.

Keeping track of the End-to-End Groups

Thinking of adding the "Down the Aisle" walk to your walks calendar?

Let me be your guide. Your trailhead is at

jwilsoncelebrant.com.au

I'm currently a Fearless Fiftener on E2E15 and can

also help you with renewals of vows, funerals, and

other of life's celebrations.

John Wilson, Civil Marriage Celebrant
